Roundtable Reporting

Lisa – president

Celebration & kudos

- Congratulations Monica and Trisha H on another great TI week! An enrollment of 21 is superb!
- Congratulations to Tricia and Kristi on your innovative name-your-newsletter contest. What a great way to encourage member involvement!
- I'm still receiving positive comments on our new location. Everyone's raving about the food! What an improvement...thank you Deb!
- Kudos to the entire board for supporting the Advanced Consulting Skills course scholarship. What a wonderful way to give back to our membership!

FYI

- Our D&O Insurance went into effect on August 20th, 2003. This is a one million-dollar coverage policy with zero deductible. Annual cost is \$801.

-
- Did you notice on the ASTD Leaders Connection that the first CHIP checks were mailed the week of September 1st?
 - October's Board meeting will be held at Bellevue University, Lozier campus.
 - Please remember to copy all incoming 04 Board members on emails during our coinciding Board structure months.
 - We assisted National in distributing their competency study surveys. In return, we will receive an executive summary of the final competency report to share with members (future newsletter article?). In addition, National will recognize our chapter as a contributor to this initiative (the method or recognition was not stated).
 - Mark your calendar for **Friday evening, October 17th 6:30pm or so....our 2003 Board celebration party!** Directors and guests are invited. Details to follow!

Feedback/Contract discussion with CAM

- Carol, Denai and I had our feedback/contract discussion with Joe and Pam on 8/20. Based on your feedback, we agreed on the following process improvements:
 - 1) We're noticing a trend of members arriving earlier for the monthly meetings. To better accommodate them, the registration table will be set up and ready by 11:00.
 - 2) Deposits will now be made twice a month, around the 10th and 25th.
 - 3) We need to inventory our historical information (CAM is storing these boxes off-site for us). Carol will coordinate this effort next year.
- Some comments shared by Joe include: ASTD is a model of how a volunteer organization should be run, i.e. the enthusiasm, fun, and commitment we have. At this point in our partnership, the learning curve has subsided and they are more comfortable with our operation. He believes this partnership has been a win/win for both of us. Greatly enjoys the opportunity.
- Contract specifics: We agreed on an 18 month contract (July 03-Dec 04) enabling the contract to parallel our budget on a calendar year basis. Our current \$750.00 per month rate will continue throughout this contract.

Decision

- The Board voted to allocate \$1000 to purchase doorprizes for our December event.

Carol – president elect

Celebration & kudos

- Westside was perfect again!

FYI

- Position Descriptions: please review all the position descriptions for your position and for each of your Director's positions. You can find them in your department's folder on the board CD. If you cannot locate them, please let me know and I will send them to you. I need them completed by the October board meeting.
- Be sure you are beginning your coinciding board structure and helping your new folks learn their positions. We still need to fill some Director positions and get those leaders up to speed. Two very important things to cover with your successor are your position description and budget.
- I will have the revisions for the Policy and Procedure Manual at the meeting on Monday (I will email them too), please review and get back to me by Sept. 26th. I want to finalize and approve the changes at the October board meeting.
- We will have our retreat/planning day in December. Watch for the date/time and place.

Gretchen – past president

Celebration & kudos

- Continued thanks to everyone for helping wrap up the FISH! project.

FYI

- Attached to this email is a compilation of "lessons learned" from the members of the FISH! project team...FYI.
- Old News: Lisa volunteered to compile the 2002 historical binder along with her 2003 binder. Isn't she AWESOME? Thank you, Lisa!
- On Friday, 9/5, we had a FISH Bash at the Upstream. Eight people attended...6 of whom are board members. Thank you to the board members who participated.

- I will contact Jeannine Wichman to see if she is still managing the donations to the public library. We have a set of 3 FISH books Charthouse donated to our chapter.
- I have compiled a “lessons learned from FISH!” document. It will help us when we decide to proceed with a large project in the future.
