ASTD Nebraska June Newsletter

Hello [firstname],

We all know "vacation season" is upon us. Summer is here, the kids are out of school, and everyone wants to be outside or on the road to their favorite summer destination spot. Don't let your opportunity to learn and grow be put on the shelf until August or September. There are several good, quick reads available and programs to attend. I've listed below a few of my favorite books, some of which may even benefit your family:

- QBQ: The Question Behind the Question and Flipping the Switch by John Miller
- Peaks and Valleys: Making Good and Bad Times Work for You – at Work and in Life by Spencer Johnson
- The Secret by Rhonda Byrne
- Enchantment: The Art of Changing Hearts, Minds and Actions by Guy Kawasaki
- Leading with LUV: A Different Way to Create Real Success by Ken Blanchard

Have a great summer!

Christine Orsborn
