

Krishna Clay

Krishna has 15 years of training experience in the banking industry. She has worked at First National Bank of Omaha for over 20 years in various roles including Training Specialist, Training Consultant, Instructional Designer and most recently as a Training Liaison with a focus on Compliance training and any training impacting all employees.

She consults with various business units of First National Bank to understand problems occurring and determine if training can assist in solving the problem. Once a training need is identified, she develops, implements, and manages project plans. Krishna holds a Bachelor's Degree in Business Administration and has been a member of ATD Nebraska for over 10 years. She has held previous positions on the ATD Nebraska Board of Directors, including Director of Career Resources, VP of Membership, and VP of Finance.
