

# Abbey Howard

Abbey Howard has been in Talent Development for 15 years and has experience with instructional design and development, training delivery and facilitation, evaluating impact, coaching, knowledge management, career and leadership development, and technology application.

Abbey is a Sr. Manager over Field Training at Wanzek Construction Inc. In her role, she provides vision and oversight to the overall field training strategy and she serves as the NCCER Sponsor Representative and Primary Administrator for Wanzek.

Abbey holds a Bachelor of Science degree in Adult Education and a Liberal Arts degree in Spanish. In addition to her formal education, Abbey obtained her Professional in Human Resources (PHR) and SHRM Certified Professional (SHRM-CP) certifications. Her professional affiliations include the Association for Talent Development (ATD), the Society for Human Resource Management (SHRM), and TeamMates Mentoring.

Abbey is passionate about her profession and looks forward to giving back to her profession as the Director of Technology in 2021.
